

A young woman observes the working machine of her new remolded office space. The terminal blinked it,s blue scanner twice to allow her to enter into the inner santum of her office.

"Welcome , Miss Danielle, "Sorry for the inconvenience." We had a attempted computer virus attack, I was required by my programmmer to upgrade to the New Experimental Virus Macfee Protection" .said the voice of Sahara 3022.

" Cool, Macfee Virus Protection still exist after over five centuries! Awesome, Daniell thought in surpise and amazment.

" How did a Virus Computer Protection that was invented in the late 20th century survive into 29 century? You joking with me right."

"No, Miss Danielle,Not programmed for bad jokes! I am serious! Saharara 3022 , voce rose in a angry tone at Danielle.

"What is wrong? "You usually cool and calm. "Do yo miss your Honey-bunny Samuel 3022? Sahara 3022,s tone changes to a sad affect.

"I see. Maybe I can help." Danille,s terimal suddenly interrupts Danielle when she types in How to Comfort A Sad Holgram on her search option. "Does not compute , unauthorized entry flashes on her computer screen turning it blue with a red alert warning signal.

"What the hell? shouted Danielle. She furiously pressed her voice -activated command . "Sahara 3022 appear to me! "There is inference of a external source. " Miss Danille! I can see you! My hologram program has been hacked into." This never happen before."

Outside Danielle,s office window, A young man of eary twenties with glowing blue eyes scan the antique structure of early twenty-two which had restore to orginal. "You dumb-ass" . " You alert Danielle and her terimal hologram Sahara 3022 Of my hacking screamed the computer chip in your brain!

"Shut -up you worm! Dirt-bag image! Nathan Daniel grabbing his head in pain. Inside NathanDaniel ,s brain- cell the neurons attacked the forgeign invaders of the computer causing a killer migrane.

Computer -chip in NathanDaniel begin to short-circuit. He turn blue as a baby born feet first, fortunately for him the communication area of Nathan Daniel, s brain , matter was unaffected by the external invasion.

"Go in the Creative Communication of Mind building and ask for Dr. Danille Silver ; she can remove the courrpted and restore your system optium health." "I have only less twenty mintues before connection is lost."

Dr.Danille ! There is a transmisson from outside that is distress signal." "Do you want me to blocked it."

" No, scanned it using the Macfee Experimental Virus scan. Sarhara 3022 obeyed Dr. Danille ,s command. The blue light of the new experimental virus scans the signal for mal-ware, malicious transmisssion code," trojan horses, spywares, hacking systems and other malicious softwares. The program dected a code for permisson for access. Sarahara 3022 transmitted her number, however the counter partner rejected 3022 as a invaild permisson code."In bold flashing red letter on Sarhara3022 hologram image says needs the orginal user of this computer."

"Dr.Danielle, you must type your terimal code becace the signal does not reconize my hologram permission number 3022." Dr.Danille typed in the her password Dreamworld to unscramble the commncation drive of outside her network." A blue flashing sign of clean water is interupted in computer language of 29th century, no dangerous viruses and hacking dected safe to receive transmission.

"What do the mesage revealed? asked Sarhara3022.

It is distress signal , a young man in a life-threatening situation needs immadietaly medical attention and the compter must be removed. I will be back, please have the electronic medical program ready when I bring the young man in. Outside several feet from Dr.Danielle, s building NathanDaniel begin to lose concious. The back- up system in Nathan-Daniel,s brain provide oxygen to him to prevent brain-damage until medical help arrive. Help me! He screamed when saw the figure ofDR.Danille from a distance before passing out. Dr.Danielle reconize the young man and rushes to Nathan_Daniel unconcious form. She take out a electronic brain repair kit from black medicine bag. She put the device on Nathan-Daniel,s head, suddenly NathaDaniel regain concious. "There drink this handed him some water which she had in emgerency kit."

Thank You <

'Nathan-Daniel, "Are you in severe pain? questioned Dr.Danille

"No, except for killer headache whispered Nathan-Daniel

"I have a cool remedy.

What is your remedy?"I hope it is not some crazy narcotic in a voice that puzzles Dr.Danielle.

"I can promise you there will no crazy narcotics;you can trust me on that said soothing.'It is the best herbal painkiller in the world without disturbing side effects. The remedy is a natural non-habit-forming painkiller with calming effects of lavender,and rose water. "I just need rubbed the ontiment on your forehead and your headache will evporate quickly. Nathan_Daniel felt relief not having to swallowing any pill.

Go for it, My head is killing me,' Dr.Danielle.

Dr.Daniele gently rubbed the lavender rose-water ontiment on Nathan_Daniel,s forehead.

" Does your head still hurts? asked Dr.Danille

"It is now just a dull ache. said Nathan-Daniel with a sense of relief.

"I glad the oniment is working so quickly becuae it usually takes a few minites to take effect smiling Dr.Danielle

Nathan-Daniel, "What is your remedy?"

Green tea with rose water, lavender extract.

No worries there is no dangerous to the medicine.
